Front-End developer utilizing an extensive visual and performing arts background to create an exceptionally engaging user experience. Currently establishing skills in HTML, CSS, JavaScript, React.Js, and responsive design while pursuing a certificate in Full Stack web development from University of California Riverside. An eye for design permeates all creative output and aesthetic detail. Exceeds expectations through communicative excellence, unceasing professionalism, and a commitment to client-first service. I am excited to seek out and engage work which challenges me to further develop my skills.
